## STANHOPE

The Stanhope is the ideal destination for travelers and New Yorkers alike looking to indulge in a new standard of quiet sophistication and luxurious style. The refined elegance of this classic New York hotel is imbued in the design of the Stanhope watch. The watch's gentle curves and polished perfection make a dramatic statement, either on its own or paired with your favorite jewelry.

## SOHO

Nestled in the heart of downtown Manhattan is SoHo, an area where art and fashion converge. SoHo is the ideal influence for a timepiece that is modern and versatile. The SoHo watch's wide top ring calls to mind the grandeur and openness of the neighborhood's architecture, while its sleek lines and sexy look channels the neighborhood's fashion expertise. A watch that is of-the-moment, yet will never go out of style.

## READE

Situated in the heart of TriBeCa, Reade Street is dotted with industrial chic lofts that boast soaring ceilings and classic cast-iron façades. Like the buildings on the street, the Reade watch also plays with proportions and materials – pairing an oversized case with a sleek, thin bracelet – to dramatic effect.

## BEEKMAN

The stacked town homes of Beekman Place, a neighborhood on the east side of Manhattan, produce an effect that is easily recreated with the versatile Beekman watch. Sleek and narrow like its namesake neighborhood, Beekman is designed to stack and pair with your favorite jewelry pieces. A variety of material options enable a customized look for every watch wearer.
