SOHO

Nestled in the heart of downtown Manhattan is SoHo, an area where art and fashion converge. SoHo is the ideal influence for a timepiece that is modern and versatile. The SoHo watch's wide top ring calls to mind the grandeur and openness of the neighborhood's architecture, while its sleek lines and sexy look channels the neighborhood's fashion expertise. A watch that is of-the-moment, yet will never go out of style.

READE

Situated in the heart of TriBeCa, Reade Street is dotted with industrial chic lofts that boast soaring ceilings and classic cast-iron façades. Like the buildings on the street, the Reade watch also plays with proportions and materials – pairing an oversized case with a sleek, thin bracelet – to dramatic effect.

CROSBY

Inspired by the streams and waterways that arched along historical New York, the Crosby watch is the epitome of playful luxury. Its dramatic curves and whimsical design is an evolution of timeless watchmaking and iconic designs, all reinterpreted with glamour and elegance for the modern woman. Ideal for the free-spirited, elegant watch wearer.

BEEKMAN

The stacked town homes of Beekman Place, a tony neighborhood on the east side of Manhattan, produce an effect that is easily recreated with the versatile Beekman watch. Sleek and narrow like its namesake neighborhood, Beekman is designed to stack and pair with your favorite jewelry pieces. A variety of material options enable a customized look for every watch wearer.

BRYANT PARK

The Bryant Park watch is sexy, dramatic and totally New York. The clean, crisp lines of its square case call to mind the skyscrapers that stand stalwart in the city's skyline and the gridded pattern of Manhattan's streets – all beautifully geometric and refreshingly bold. This watch creates an exquisite eye-catching effect that turns up the volume on any outfit.

TOMPKINS

Tucked in the East Village, Tompkins Square Park is a welcoming open space where a cross-section of New Yorkers visit and play. The Tompkins watch plays off of this eclectic accessibility, with its easy styling and clean execution that makes it look completely current sitting on any wrist.
